

Your Ballot is Inside. Please Vote!

Each summer the TRA Board nominates its Officers and Directors-at-Large for the coming year. These names are then submitted to the members to ratify or they may nominate other candidates. Officers serve for a one-year term, while the Directors-at-Large are elected for a term of two years. The longer term for the latter group helps bring continuity to the management and operation of TRA. Directors-at-Large are limited to three consecutive terms (six years.) Officers are limited to two consecutive terms (two years), with the exception of the Treasurer, who may serve up to five consecutive terms.

A member survey is also included on the ballot. We would like some feedback on how we are doing and what we could do better.

Please take the time to vote and fill out the survey. Your votes show that you support the nominating committee and those other hardworking individuals that help make TRA strong. **Go to the www.tra-spacepark.org website, (if you're not already registered take a few minutes to register) and click on the "2018 TRA Ballot" button on the home page to vote and fill out the survey.** Or, you can vote by completing the enclosed ballot and mailing it in. Just follow the instructions on the ballot. Your ballot must be postmarked by October 15, 2017 to be counted.

Here are the nominees:

President: MARY ANN CHORY: Mary Ann retired from NG in 2013 with 33 years of service. She joined TRW in 1981 after working three years at TASC. Mary Ann received an M.A. from University of Minnesota, an M.A. in Teaching from University of Chicago and a B.A. from St. Mary's College, Notre Dame, IN (all in mathematics.) She worked the majority of NG's space programs in all phases of development. Her assignments ranged

across many disciplines: systems engineering, control systems, and hardware development. These included Director positions in program, functional and technology development. Mary Ann is the current TRA President.

Vice President: AL HAUSRATH: Al spent 30 years in the aerospace field, initially with Convair. There, he was Chief of Stress and head of the Structural Methods group working on the development of the Atlas and Centaur boosters. Al joined TRW in 1966 at Norton Air Force Base, working on the MX ICBM development. He transferred to Space Park in 1974. He retired in 1988 as a Project Manager in the System

Engineering and Integration Division. He is currently the TRA Vice President.

Secretary: MICHAEL NARIGON: Michael retired from Aerospace Systems in 2014 after almost 30 years with TRW/NG. He started in the Controls Engineering Department in Building 82. In 2000 he took a stint at a small start up in Washington state to commercialize laser communications. He received a B.S. in Aerospace Engineering from Iowa State University and an M.S and Ph.D. in Aeronautics and Astronautics from Stanford University. He is currently the TRA Secretary as well as editor of the No Name Gazette.

Treasurer: CHARLES CLENDENING: Charles retired from NG in 2012 after 35+ years at TRW/NG. He joined the TRW ATD Engineering Sciences Laboratory after a short Air Force tour. Charles received a B.S. degree from Case Institute of Technology and a Ph.D. in Physics at Cornell University. He supported a number of diverse programs primarily in laser-related areas. His final assignment was as a Technical Fellow and the

Chief Scientist on the ABL Program. Charles is currently serving as the TRA Treasurer.

Directors-at-Large

REGGIE JUE: Reggie retired as a Director in 2014 after 32 years at TRW/NG in various leadership roles in System Engineering. He was the Chief Engineer for Protected SatCom, and retired as the System Engineering lead for the James Webb Space Telescope (JWST). Reggie received his B.S. from Harvey Mudd College, M.S. degrees from UCLA and Stanford University.

Since retiring, Reggie has been a volunteer for the TRA, a local homeowners association, Cal State LA Senior Engineering Project class, local city projects (including serving on our city Technology Task Force), local politics, helping with JWST tours, and trying to learn golf.

MARCY MORRISON: Retired in 1998 (kind of); but worked as editor/coordinator on proposals for 10 more years. Chairman of Activities committee for TRA helping to make the Holiday party, Spring Fling, and Summer Reunion enjoyable gatherings for our retirees. TRA also offers some day trips for members. Helped form the fund raising arm of 1736 House. Was 1 of 5 winners for Woman of the Year award. Active in

garden club, square dancing, traveling, hiking, and plays.

The first step in notifying Northrop Grumman of a retiree's death is to call the Northrop Grumman Benefits Center at 800-894-4194. For many retirees, there is a Burial Benefit which will be paid to the beneficiary upon proper notification of death. If the deceased was a member of TRA at the time of death, please notify TRA whether you want the NNG continued for the duration of their subscription or to be removed from all future mailings.

If you know of a person that should be included in the "In Memoriam" column, please inform us by either email or mail to the TRA office. As a minimum, we need the name of the deceased; date of death; and the name of the person submitting the information. If more information is available and desired, include age, position and years at NG/TRW, any notable programs, and special skills.

THE MAIL POUCH

◆◆◆ My apologies to **Nati Prieto** for the report on the Fountain of Youth in the May/June Mail Pouch. I got the genders all mixed up. **Nati** sent the Mail Pouch a nice note pointing out that she was the TRW retiree and **Alvaro** is her husband ◆◆◆ **Cecil Goins** is still enjoying retirement in the small Texas town of Granbury. *The weather is way different than California and the people are really friendly* ◆◆◆ Texas must be good for the health. **Hershel Mackey**, 94, and his bride of 71 years, **Phyllis**, are still going strong enjoying his 33 years of retirement, all in the same house in Livingston, TX ◆◆◆ **Marilyn Schatz** reports that her former boss, **Dave McNelis**, has retired to Sandpoint, ID. But sadly, her report also informs us that another boss, **Gary Held**, SEID DSG, is suffering from dementia ◆◆◆ **Paul** and **Carol Courcy** know how to keep the working spirit of TRW alive in their memories after retirement. They moved to the little community of Avila Beach, CA last year. (Avila Beach is on the coast about half way between Los Angeles and San Francisco.) Their note reads *We see Turkeys Running Wild daily* ◆◆◆ This issue's super travelers are **Bonnie** and **Ronald Cline** (North San Diego County). Their cruise starts in Abu Dhabi, followed by Petra, Jordan, the Luxor area of Egypt, Jerusalem and Tel Aviv in Israel, and then off to revisit the Greek Islands ◆◆◆ **Mark Levine** stays active in Flagstaff AZ with tennis a few times a week with **Ron Hren** and **Phil Brunner**. In the winter, it's skiing with **Stan Levine** ◆◆◆ **Steve** and **Dee Tomsic** (**Dee Hicks-Tomsic**) celebrated their 36th anniversary with a trip to Maui in July. They are kept busy with trips to California to see her daughter plus keeping up with their home and large yard in Green Valley, AZ ◆◆◆ **Rex Andersen's** parents were from Denmark so he never knew any of his relatives. Their 13 g'kids and 18 gg'kids did not keep them busy enough so he and **Janice** started searching for his Danish kin.

By Al Hausrath

Their work paid off, they were able to find them, which resulted in a trip of a life-time from their home in West Torrance, CA to Denmark. They were greeted there by a great "Welcome to Denmark Party" ◆◆◆ For Sale: Used Fishing Boat. After 30 years of retirement, **Joseph** and **Norma Heindl** (Rancho Palos Verdes, CA) feel too old for fishing, but still take three cruises yearly and spend time with their nine g'kids ◆◆◆ **Albert Petraitis** (San Diego) is now 102. He greets each new day as a gift ◆◆◆ **Bernard Roseman** and his wife are living in Upper Dublin, PA, (just north of Philadelphia) and close to their children and g'kids. He serves on the Board of RSVP of Montgomery County, a public service organization, and is a certified counselor for SCORE. He looks back at his 31 years in TRW's Program Office of Pioneer with pride and wonderful memories of really good people ◆◆◆ **Paul Morgan** (Redondo Beach, CA) is another retiree involved with a non-profit group. He is recording, mostly texts, for Learning Ally which supports a quarter-million students with visual and learning challenges. He also serves as Firemaster on a traditional wood-fired, earthen community oven in Westchester, just north of LAX. All are welcome to try their hand at baking their own pizzas or breads for free in this beautiful classic oven. They meet on the 2nd Saturday of every month. Go to Meet-Up.com/Los-Angeles-Bread-Bakers for more details ◆◆◆ **Elizabeth Geraghty** (Citrus Heights, CA) has travelled a lot in the past, but now health issues prohibit it. When she first started with RW her office was in the Bellanca facility. If any of our readers shared that experience, she would like to hear from them ◆◆◆ Congratulations to **Pat** and **Mike Roberts** on their 50th anniversary. They are keeping busy with various volunteer gigs in Henderson, NV. During the warmer months they enjoy swimming in their backyard pool. *Keep it moving* is Pat's motto ◆◆◆
